## LEABERSHIP EXPERIENCE

---

### Univ. Student President

In 2021

- Led my department student(about 300 people) for their benefit and good school life. I usually hosted thirty-one school businesses and events. That's three times more than the average hosted businesses and events.
- Made student council of 20 and managed scholar money, planed business and event, helping student to do better school life.
- Wrote official notice about professor who had been doing half bath during the class on online. I gathered student opinion and wrote it to get our student's academic rights. And that professor was kicked out in our University.
